

2011 Consolidated Rate Schedule

January 2011

Work Hours

Regular Work Hours are from 7:00 am to 5:00 pm Monday Through Friday. All work hours are portal to portal. Overtime is charged for all work hours over 8 consecutive hours in a work day. All work hours over 12 consecutive hours will be charged premium time. Saturday work shall be billed at the overtime rate for the first 8 hours and premium time rate thereafter. Additionally, all day on Sunday and the following Holidays will be billed Premium Time Rates.

**New Years Day
Martin Luther King Jr. Birthday
Presidents Day
Veterans Day
Easter Sunday
Memorial Day
Independence Day (4th of July)
Labor Day
Thanksgiving Day
Day after Thanksgiving
December 24th
Christmas Day**

All charges are subject to a Four Hour Minimum (4 Hours). All holdover and stand-by time will be billed as regular work hours unless otherwise specified in advance.

Fuel, Equipment and Insurance Surcharge

All invoices will be assessed a Fuel and Insurance Surcharge of 8%. DBES reserves the right to raise the fuel surcharge to 12% should the average national fuel price for diesel fuel rise above \$4.75 per gallon.

Disposal and Subcontractors and Rental Equipment

All disposal and subcontractor services will be billed at cost plus 20%. All rental equipment and supplies will be billed at cost plus 20% including fees.

Payment Terms

All payment terms are Net 10 days upon receipt of invoice unless other terms are agreed to in writing. All emergency response services are on a C.O.D. basis as specified below unless services are provided via party specific contract.

Emergency Response Work – C.O.D:

All emergency responses are C.O.D. unless otherwise agreed to in writing. If invoices are submitted for later payment in an emergency response, payment in full is due three (3) days after Double Barrel's delivery of an invoice (by hand delivery, fax, or overnight delivery) to customer or customer's representative unless otherwise agreed to in writing.

Late Charges:

For all invoices (emergency and non-emergency) a 1.5% per month late charge (for additional administrative expenses due to collections on unpaid invoices) will be added to any unpaid balance on the day after payment is due and on every monthly anniversary of that date until the invoice and all added charges are paid in full.

Attorney's Fees and Other Expenses:

Reasonable attorney's fees, collection fees, costs, pre-judgment interest, post-judgment interest, and other related expenses will be added if reasonably required to collect on any outstanding balance. All disputes shall be resolved in and under the laws in California. DBES shall not waive its rights to trial or be bound by arbitration.

Commencement of Work Constitutes Acceptance:

Commencement of work by Double Barrel without customer's prompt objection to the terms and conditions set forth in this document constitutes customer's acceptance of these terms and conditions. The terms and rates included herewith will be billed as shown unless other contractual agreement has been made.

Equipment:

When equipment is mobilized before 12:00 noon, the full day rate applies. If equipment is mobilized after 12:00 noon, the customer will be charged half of the daily rate. Daily rate is defined as a 24 hour rate beginning at 00:01-2400 except for specialized equipment such as hydroblasters, guzzler/jetter units, marine vessels, simmers and filter systems where a shift of 12 hours will be considered a day.

Status as a California Contractor:

Double Barrel Environmental Services Inc. is a California Contractor, License no. 887434 A General Engineering/Hazardous Substance Removal, governed by the laws and regulations set forth in the Business and Professions Code.

Status as a Nevada Contractor:

Double Barrel Environmental Services Inc. is a Nevada Contractor License No. 0075418 A General Engineering Contractor governed by the laws and regulations set forth in the Nevada Administrative Code.
